SAVE THE DATE!

2019 Summer Teacher Training Institute Monday, July 8 through Thursday, July 11, 2019

Hosted by:

If you missed the Summer Institute last year, here's a little of what you missed out on!

Another fabulous Summer Teacher Training Institute is in the works! Take advantage of lots of hands on training in automotive, auto collision, and power equipment. Small engine & electrical training by Stihl trainer Eddie Anderson. Industry tours, manufacturer training, networking opportunities and more!

Registration is FREE to all Wisconsin High School and Post-Secondary Technical Education Instructors!
